

COVID-19

At Black Diamond Golf Club, we wish to ensure all customers & staff follow strict MINISTRY of HEALTH Safety Guidelines

To do our part in preventing the spread of COVID -19, we are adopting the following steps to ensure safety for patrons and staff at all times. We will be updating and changing our protocols regularly as per government regulations.

If you are sick or not feeling well, DO NOT COME TO THE GOLF COURSE. PLEASE STAY AT HOME!

TEE TIMES

- TEE TIMES MUST BE BOOKED IN ADVANCE (NO WALK ONS)
- Tee time intervals have been adjusted to allow for adequate physical distancing. Safety will be more important than convenience.
- Due to the reduction of Tee Times you may be paired up to make a foursome.
- DO NOT arrive more than 20 minutes prior to your Tee Time. If you do you will be asked to wait in or by your car.

BEFORE GOLF ON THE DAY OF PLAY

- **FACE COVERINGS ARE MANDATORY TO ENTER THE BUILDING.** Only during drinking & eating may they be lowered.
- Our clubhouse floor plan allows a two-meter distancing for our customers. Signage is in place to remind customers to keep their two-meter distance.
- All equipment used by customers is cleaned and sanitized. All high touch areas are cleaned and sanitized throughout the day.
- Be vigilant in practicing mandatory 6 feet (or more) of physical distancing.
- Arrive prepared – we encourage you to be proactive and responsible in bringing your own sanitizer for use while golfing. Hand sanitizer will be available in the Clubhouse & Pro Shop, but with limited stock.
- Please arrive at the Golf Course no earlier than 20 minutes prior to your tee time. This will allow for enough time to get checked in to the first tee.
- Putting green will be open. Physical distancing must be practiced at all times. The putting green is for use of customers playing on that day.
- Driving range will be open with limited capacity.

- Two people driving or riding together on the vehicle who are not from the same household are required to wear a mask. Masks can be taken off when exiting the cart.
- All persons driving or riding on the vehicle who are members of the same household, are not required to wear masks.
- Further to this, a solo rider is therefore also not required to wear a mask.
- This direction on masks supersedes any previous direction on cart dividers. Use of dividers is not required, and does not negate the need for masks for two or more riders in the same cart from different households.
- **If a player requests their own cart and if we can accommodate, there will be a \$6 premium on the cart fee.**

- During the check in process you will receive your sanitized key for the power cart from the starter or back shop attendant.
- Only four golfers are permitted in the Pro Shop at a time.
- Club rentals will NOT be available.
- Washrooms will be available, only 2 persons permitted at a time.
- **Food & beverages will be available for takeout only.** Beverage Cart will be available...weather permitting.
- No outside alcohol permitted. Consumption of these beverages constitutes a violation of our liquor license and could result in personal fines by the AGCO. In addition, this type of behavior exposes Black Diamond to severe sanctions against our club including massive fines and possible suspension of our liquor license.

WHILE GOLFING

- Always remain vigilant in practicing mandatory 6 feet (or more) of physical distancing. (no hand shaking, high fives, elbow bumps etc. during your round)
- Ball washers have been removed (please bring your own damp towel)
- Rakes have been removed – COVID-19 local rule is in place to allow you to ‘foot rake and place’ your ball as needed. Please also do your best to ‘foot rake’ your steps as you exit the bunker.
- DO NOT TOUCH THE FLAG STICK, putt with the flag stick in.
